

PRESS RELEASE:

2009 FREE RIDE MX EVENTS CANCELLED

(Bowling Green KY– 6/1/09) - It is with great regret that Team186 Promotions Inc has to announce the cancellation of the four (4) advertised 3-Moto MX Format Events scheduled as part of the 2009 Free Ride Tour. This announcement is made even more difficult coming on the eve of introducing Free Racing to Riders in the Commonwealth of Kentucky at Little Sturgis MX (LSMX) this Saturday June 6, 2009. The threat of pending legal action forces no other decision at this time. It has become clear in the face of these trying economic times, especially in the MX world, Team186 Promotions' 3-moto, Free Racing format would have been the boost our sport badly needs right now. Unfortunately the cost of winning such a legal battle outweighs the benefits at this time.

Please note: LSMX will still be racing this weekend, just not under the TEAM186 banner.

The other good news is we are ***not*** canceling the Metcalfe County, Gibson County (IN), and SOKY Fair Events under any circumstance and all of those 2009 Fair Races will include our original **33 FOR FREE** Racing Concept, A/B Main Event Racing, and Tucker Rocky Contingencies. So Free Racing is not gone, just delayed another three weeks until the Metcalfe County Fair June 27, 2009!! All race details can be found at www.team186.com
